The diagram shows a rectangular grid with 20 columns and 10 rows. The columns are numbered 1 through 20 at the bottom, and the rows are lettered A through J on the left. The grid is enclosed in a larger frame. Above the grid, there are two circular hinge symbols. A dimension line on the left indicates a height of 13.16mm from the top of the grid to the top of the frame. A dimension line on the right indicates a width of 8.77mm from the right edge of the grid to the right edge of the frame. The text 'Do NOT measure from the hinge' is placed to the right of the grid. The label 'Inside Box Lid' points to the top-left corner of the frame. There are also small circular symbols at the top and bottom center of the frame.
